Welcome to Centenary University's 2026 Annual Scholarship Gala: *A Golden Night of Excellence!*

This has been an extraordinary and transformational year for Centenary University. Thanks to the generosity of alumni, friends, corporate partners, and community supporters, we continue to expand opportunities for our students while strengthening Centenary's impact throughout New Jersey and beyond.

Tonight, we gather with a shared purpose: to ensure that deserving students can continue their education and graduate on time regardless of financial hardship. For many Centenary students, a scholarship gap of less than \$5,000 can determine whether they remain enrolled and complete their degree. Your support this evening directly changes lives and creates opportunities for future generations.

This evening, we are also proud to present the Gold Dome Award—Centenary University's highest honor—to several exceptional individuals and organizations whose leadership, service, and commitment reflect the very best of our University and community:

- **Atlantic Health** - Community Leadership & Partnership
- **Senator Douglas J. Steinhardt** - Public Service & Advocacy
- **Dr. Raymond Frey** - Distinguished Historian & Educator
- **Professor Michael Dowling** - Excellence in Equine Education

In addition, we are honored to present the 2026 Van Winkle Achievement Award, a prestigious recognition bestowed upon individuals whose extraordinary service and dedication have made a lasting impact on Centenary University and the surrounding community.

This year's recipient is Carol Valentine Allen '72/'74, member of the Centenary University Board of Trustees, former president of the Alumni Association Executive Board, and longtime benefactor. Carol's unwavering commitment, leadership, and generosity have helped shape the Centenary experience for generations of students and alumni, and we are proud to celebrate her remarkable contributions this evening.

Thank you for joining us for this special celebration of philanthropy, partnership, and student success. Because of your generosity, Centenary students will continue to learn, grow, and pursue meaningful futures filled with purpose and possibility.

Enjoy this memorable evening in support of Centenary University.

Senator Douglas J. Steinhardt

Gold Dome Award Recipient

Senator Douglas J. Steinhardt is a dedicated public servant, attorney, and legislator representing New Jersey's 23rd Legislative District in the New Jersey State Senate. A lifelong resident of Warren County, Doug grew up on his family's farm in Belvidere and has deep roots in the community he proudly serves. He earned his bachelor's degree in history from Gettysburg College and his J.D. from Widener University School of Law. Prior to his election to the Senate in 2022, Doug served with distinction as the first five-term Mayor of Lopatcong Township and as Chairman of both the Warren County and New Jersey Republican State Committees.

In the Legislature, Senator Steinhardt continues his lifelong commitment to family, strong communities, and effective, responsive government. His legislative accomplishments include the introduction of landmark legislation criminalizing political hate in New Jersey. He has also been active in local civic causes, including founding task forces to address addiction awareness and mental health stigma in Warren County. He is a proud Eagle Scout, former volunteer football coach, and NJ State Bar Association Trustee.

Doug and his wife Trudy will celebrate 30 wonderful years of marriage this September. They are proud parents to two children who carry on the family's tradition of civic involvement: Tia (27), the former Warren County State Committeewoman, and Douglas Jr. (22), the current Warren County State Committeeman.

Dr. Raymond Frey

Gold Dome Award Recipient

Dr. Raymond Frey was a Professor of History at Centenary from 1990 to 2025. From 2000 to 2003, he served as Dean of Faculty. A prolific writer and recognized scholar of our state's history, he is the author of a New Jersey textbook for middle school students, used around the state. In 2009, he received the New Jersey Governor's Award for Distinguished Achievement in History and Civics.

Dr. Frey has spent a lifetime of service, volunteering, and helping others. In 1999, he received the Mosaic Award from Project Self Sufficiency in Newton. In 2006 and 2007, he led teams of Centenary students to New Orleans to help the victims of Hurricane Katrina. His real passion, however, is volunteering at Newton Medical Center, logging over 2,500 hours at the Front Desk and Emergency Department. He was recently the recipient of two major awards for his professionalism, caring, and compassion for his patients. He is also a Certified Cancer Counselor for the Cancer Hope Network.

His wife, Andra, is a Centenary alumna. They have been married 46 years and have two outstanding children--Sarah and Ray Jr.

Mr. Michael Dowling

Gold Dome Award Recipient

Michael Dowling has dedicated more than three decades to the equine industry as an accomplished trainer, educator, and mentor. A longtime leader within Centenary University's renowned Equine Studies program, he serves as IHSA Hunt Seat Team Co-Coach and NCEA Team Co-Coach, helping shape one of the nation's most respected collegiate riding programs. Under his leadership, Centenary has earned multiple national championships, including IHSA National Titles in 2009, 2011, and 2014, along with numerous reserve national finishes. He has also coached four prestigious Cacchione Cup National Champions.

Michael's expertise extends well beyond the classroom and arena. After completing studies at Fairfield University and the Lancaster University, he founded Windham Hill, a premier training and sales operation based in Far Hills NJ and Wellington FL. Through Windham Hill, he has trained riders and horses to compete successfully at some of the sport's most prestigious venues, including the National Horse Show, Devon Horse Show, the Washington International Horse Show, and the North American Young Riders Championships.

Known for his thoughtful, forward-riding system and emphasis on horsemanship, Michael has helped countless riders reach elite competitions such as the ASPCA Maclay Finals, USEF Medal Finals, Junior Hunter Finals, Pony Finals, and Young Riders. His enduring commitment to excellence, mentorship, and student success has elevated generations of riders and strengthened Centenary University's national reputation in equestrian education and competition.

Atlantic Health

Gold Dome Award Recipient

Atlantic Health is at the forefront of medicine, setting standards for quality health care in New Jersey, Pennsylvania and the New York metropolitan area. Powered by a workforce of 25,000 team members and more than 5,667 affiliated physicians dedicated to building healthier communities, Atlantic Health serves more than half of the state of New Jersey including 14 counties and 7.5 million people.

The not-for-profit system offers more than 550 sites of care, including its eight hospitals: Atlantic Health Morristown Medical Center in Morristown, NJ, Atlantic Health Overlook Medical Center in Summit, NJ, Atlantic Health Newton Medical Center in Newton, NJ, Atlantic Health Chilton Medical Center in Pompton Plains, NJ, Atlantic Health Hackettstown Medical Center in Hackettstown, NJ, Atlantic Health Goryeb Children's Hospital in Morristown, NJ, Atlantic Rehabilitation Institute in Madison, NJ and Atlantic Health CentraState Medical Center in Freehold, NJ.

The system includes Atlantic Medical Group, part of a physician enterprise that makes up one of the largest multispecialty practices in New Jersey with almost 2,000 physicians and advance practice providers. Joined with Atlantic Accountable Care Organization and Optimus Healthcare Partners they form part of Atlantic Alliance, a Clinically Integrated Network of more than 4,000 health care providers throughout northern and central NJ.

Atlantic Health provides care for the full continuum of health care needs through 26 urgent care centers, Atlantic Visiting Nurse and Atlantic Health Virtual Visits. Facilitating the connection between these services on both land and air is the transportation fleet of Atlantic Mobile Health.

Founded by Atlantic Health, the Healthcare Transformation Consortium is a partnership of seven regional hospitals and health systems dedicated to improving access and affordability. Atlantic Health has a medical school affiliation with Thomas Jefferson University, is home to the regional campus of the Sidney Kimmel Medical College at Atlantic Health Morristown and Atlantic Health Overlook Medical Centers and is the official health care partner of the New York Jets.

The Van Winkle Achievement Award

The Van Winkle Achievement Award honors a distinguished person or professional who has extraordinary accomplishments, including outstanding service to Centenary University and the community-at-large, and who brings honor to our institution. Alumni and all others closely associated with Centenary University are eligible for nomination.

Carol Valentine Allen '72/74

Van Winkle Achievement Award Recipient

Centenary University is proud to present the 2026 Van Winkle Achievement Award to alumna Carol Valentine Allen '72/'74 in recognition of her extraordinary service, leadership, and lifelong dedication to the university community.

The Van Winkle Achievement Award is among Centenary University's most prestigious honors, recognizing alumni, distinguished professionals, and community leaders whose accomplishments and service have brought distinction to the university while reflecting its enduring values of leadership, philanthropy, and community engagement.

Carol made history at Centenary as a member of the first graduating class to receive bachelor's degrees from the institution, earning her Bachelor of Arts degree in 1974 after receiving her associate degree in 1972. She later pursued graduate studies at Marist College, New Jersey Institute of Technology, and Stevens Institute of Technology.

For more than five decades, Carol has remained deeply connected to Centenary through both professional service and volunteer leadership. During her 15 years of employment at the university, she served in numerous roles, including Associate Dean of Students, Director of Residential Living and Student Life, Director of Special Giving, faculty member, coach, and admissions counselor.

A standout student-athlete, Carol competed in field hockey, lacrosse, and badminton and received the George E. and Blanche B. Denman All-Around Athlete Prize in 1972. She later served as president of the Centenary University Alumni Association Executive Board and as a member of the university's Board of Trustees, while also contributing to numerous community organizations throughout the region.

One of Carol's proudest accomplishments was co-chairing Centenary's 150th Anniversary Celebration in 2017 alongside Nancy Johns Paffendorf '79/'80/'06, helping bring together alumni and friends to celebrate the university's rich history and future. In 2024, she received Centenary University's Gold Dome Award in recognition of her exceptional dedication and service.

Through her tireless volunteerism, enduring loyalty, and passionate advocacy, Carol Valentine Allen continues to strengthen the Centenary University community and inspire future generations of students and alumni.
